Motor Control, Contactors, Relays Motor Starters, Soft Starters Power Supplies, PLCs Switches, Signal Towers, Stacklights, VFDs, Circuit Breakers, Counters, Pushbuttons

Pancake Air Cylinders, Square Air Cylinders, Round Body Cylinders, NFPA Cylinders, Pneumatic Valves, Rotary Actuators, Linear Slides, High Force Actuators, Air Prep, Grippers

Valves, Pneumatic Actuators, Servo-Pneumatic, Control Components, Electromechanical, Drives Motors, Controllers, Grippers, Vacuum Technologies, Air Supply Components, Process Automation

Wire, Cable, Flexible, Cable, Connectors, Custom, Cable Wire, Marking

Stacklights, Explosion Proof, Signals LED Lights, Audible Alarms, Annunciators, Signal Lights, Production, Monitoring

1-Phase and 3-Phase Power Supplies, DC/DC Converters, Field Power Supply, Smart Power Supplies, Wiferion Wireless, Buffer Modules, DC-UPS, circuit breakers, Redundancy Modules

Photoelectric Sensors, Inductive Sensors, Barcode Scanners, RFID Readers, Machine Vision, Encoders Safety, Sensors Level, Sensors Pressure, Sensors Safety Laser, Scanners Distance, Sensors Registration

Six-Axis programmable robotic arm, built-In Simulator & Vision System, best payload and speed in its class, the world's easiest-to-use robot, made in the U.S.A.

AMERICAN ELECTRICAL, INC.  
INDUSTRIAL ELECTRICAL COMPONENTS

DIN rail components, power blocks, relay modules, circuit breakers, surge arrestors, wiring tools, cable ties, and lightpole power taps

Eagle Signal Controls

Counters and Timers

Fuses (low voltage, high speed, photovoltaic, medium voltage), fuse holders/blocks, power/terminal blocks, disconnect switches, surge protectors, telecom protection, and Quik-Spec electrical gear

Control accessories, device sub-assemblies, DC contactors, enclosure accessories, surge protectors, NEMA motor controls, plug-in relays, and hazardous location enclosures

Circuit breakers, motor control products, contactors, relays, switchgear

Concrete repair products, patching and resurfacing solutions, crack fillers, joint repair materials, and protective coatings for industrial, commercial, and infrastructure applications

Enclosures (metal & non-metal), racks, cabinets, power distribution, transformers, electronic packaging, and accessories for industrial and electronic applications

Automation solutions, motor control systems, distributed I/O modules, conveyor control products, and custom industrial control assemblies

Automation solutions, motor control systems, distributed I/O modules, conveyor control products, and custom industrial control assemblies

Die castings, extrusions, plastics, stampings, electronic components, PCBs single sided through 12 layer and full assembly, subassemblies, and turnkey electromechanical assemblies

Certified Texas WBE/HUB

Precision switches, limit switches, basic switches, pressure switches, and customizable switch solutions

Flexible cables, wire harnesses, cable tracks, connectors, and cable management solutions

AC and DC fans, blowers, fan trays, filters, and thermal management solutions

Terminal blocks, power supplies, relays, I/O systems, connectors, surge protection, and industrial automation solutions

Protective gloves, industrial work gloves, cut-resistant gloves, disposable gloves, and safety gloves

HMI displays, industrial controllers, data loggers, communication devices, I/O modules, and automation solutions

Since its inception in 1986, Deltec has been a manufacturer of DC ammeter shunts, available in 10 different sizes, as well as fuse blocks.

Vacuum grippers, suction cups, vacuum generators, clamping solutions, and material handling

Cherry MX switch line: Standard and Special, Low Profile, and Ultra Low profile

Polyurea coatings, linings, joint fillers, concrete repair products, and protective solution
